# DOBOGEN

## Soluble Silicate

### PLANT TONIC

1 Litre

DOBOGEN is manufactured from high quality pure soluble silicate. It enhances the cell wall and the cuticle formation, strengthens the plant against possible diseases and increases the shelf life. As the main ingredient is natural mineral silicate extract, it is an environmentally friendly product, which makes it perfectly suitable for organic farming.

### Main Benefits

- Helps prevent environmental stress
- Promotes cell division and cell growth
- Strengthens the leaf and stem
