# WINIA DOCTOR

## Soil Bacterium

## BIO FUNGICIDE

### 1 KG

WINIA DOCTOR is a Bio Fungicide containing a Bacillus subtilis extract as well as micro-organism extracts, sugars, vitamins and nucleic acid. Bacillus subtilis can be found inside dried rice straw or dry grass. When it enters the soil it becomes an antagonistic microbe that prevents pathogenic bacteria. It also protects and stabilizes the membrane in the cells and cuticle while strengthening self-defense and resisting harmful mold. It is especially recommended against some well-known diseases such as Powdery Mildew, Gray Mold Rot and Anthrax.

### Main Benefits

- Protects against well-known plant diseases
- Quick and complete absorption
- Uses an extract from a soil micro organism

CROP	RATE kg/ha	RATE g/100L	USE
FRUIT			
VEG	2.5kg	150g	3 times every 7 days All growth time by spray
FLOWERS
